- Step 1: Tell us about yourself
- Step 2: Select a month
- Step 3: Select a name for your candle
- Step 4: [Select a color](#)
- Step 5: [Select a scent](#)
- Step 6: Create your message
- Step 7: [Submit all information](#)
- Step 8: Create the buzz!

Here is what that looks like:

### About You:

**Name:** Sally Smith

**About Me:** I am a former professional model and a television hosts. I have been a supporter of WIN since 2006 as a former WIN Spokeswoman.

**Month:** May

**Name Your Candle:** Coming Home

**Name a Scent:** Cupcake

**Color of Candle:** Light Yellow

**Story:** (Why you chose the name) Over the past year of my life the word "Home" has been a lesson in love for me. After relocating my 'home' unexpectedly, I learned through tears that 'home' has nothing to do with a structure that we decorate in colors and things. Instead "home" is a place that is grounded in loyalty, covered in safety, and decorated in consistency. It is a place where there is no judgment, no pretending, and is where the rules that govern my place give me life, love and most important laughter.

(Why you chose the scent): I chose the cupcake scent because I cannot bake. That plus the scent of cupcake is a warm and embracing scent that envelopes people with sensory 'hug' when they enter your 'Home'.

(Your wish and life challenge) My wish for all Capture our Glow "Home" supporters is that while you burn this candle, you examine the emotional decor your home, and if in need of a remodel, make today that day.

### Agreement:

As a candle adopter I agree to fulfill steps 1 - 8 above.

I agree to commit to 50 candle sales during my month. In the event that I do not sell all candles, I understand that I will have one extra month to sell my remaining candles. I agree to make the difference in a donation to W.I.N. with any unsold candles and that donation will be due within 30 days of the last day of candle sales. I agree to put my credit card on file.

I understand that these candles will be available only through the WIN and Mrs. Globe website. I understand that if I choose I can pre-order my candles and sell them directly with the proceeds going to WIN.

I understand that the Mrs. Globe and WIN Foundation will also be promoting my candle during my featured month.

I understand that as a candle sponsor, I will be a featured guest at the WIN Celebrity Luncheon where I will have a table dedicated to showcase my candle. (Details to follow).
